Art Unit: 1772

1. Newly submitted claims 43, 46-48 and 50-56 are rejected under 35 U.S.C. 103(a) as being unpatentable over Samonides in view of McNaul for reasons of record in Paper No. 6, paragraph 2, mailed on April 5, 2002.

2. Applicant's arguments filed October 15, 2002 have been fully considered but they are not persuasive. Applicant argues that independent claim 1 (sic) recites the method step of simultaneously applying a pressure sensitive adhesive (PSA) and a film forming material to for the construction. This is not deemed to be convincing because there is no claim 1 pending in the claim. Assuming that applicant is referring to claim 38, the rejection to claims 38-42 is withdrawn. Also, newly presented claims 44, 45 and 49 are free from said applied prior art.

As for the rest of the newly presented claims 43, 46-48 and 50-56, contrary to applicant's allegation, said claims are not limited to the step of simultaneous applying of the PSA and the film forming material.

Additionally, applicant's reference to "non-preformed psa" and non-final state" in the claims could not be clearly understood. Further clarification is requested.

Thus, in the absence of any evidence to the contrary, it remains the examiner's position that the claimed invention is deemed obvious over the applied prior art discussed above.

3. Claims 38-42, 44, 45 and 49 are free of the prior art uncovered so far.

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 1772

In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
